

Agenda
Optometric TAC Meeting - Virtual
February 4, 2021
1:00pm

Call to Order

Approval of November 2020 TAC Minutes

Agenda:

Would like to confirm with DMS that all Presumptive Medicaid was moved to UHC on 1/1/21.

Medicaid Providers having to contract with KHIE. Is there a timeline for this to happen?

Last week's MAC Mtg – Reported that KYHealth.net has a spot to report missed appointments. IS DMS looking for Optometry volunteers?

Follow-Up from Last TAC - Durysta coverage if J7351 has been added to DMS Drug List?

Discussion/Remarks on the Contact Lens Value Add-On Benefit from some of the MCOs.

- Concerns on how patients will use this benefit.

-Anthem/EyeQuest: Discussion on Contact Lens Billing, billing the fitting and materials together.

-Wellcare/Avesis: Discussion on the Adult contact lens billing, fitting fee and material benefits not matching the total benefit. Please be able to provide explanation on billing.

-Wellcare/Avesis: Adult Glasses benefit. Issues in January with orders/claims.

UHC & Molina – March Vision:

- Children Materials Discussion.
- How long is it taking March Vision to credential optometrists?
- Optometrists contracting with Molina/Passport and UHC directly for professional services?
- Dr. Compton – His office received a letter about high volume vision claims and had not billed a patient yet.
- Does March Vision have a KY licensed optometrist who reviews denied claims.

Discussion with all MCOs and Vision Contractors: OMDs and ODs billing to the same entity.

Next TAC Date Scheduled: May 6th at 1pm
