Review and approval of May minutes

Old business:

1. Question regarding ARCs and use of PT instead of opioids -- can PT visits be billed since daily rate does not include PT? Stephanie said yes. question regarding whether ARC can bill this on top of daily rate (with PT as contract) or whether PT has to bill it separately? -- abstract on pilot study submitted with agenda for Cabinet review

New Business:

2. Issues with payment related to ADH centers (Mariposa, etc) -- proposal letter sent from Jim Hisle regarding HH during pandemic -- thoughts from the cabinet on this group as they received almost no service since shut down.
3. Issues with Anthem and AIM -- eval code billed with 97530 still not being paid after NCCI edit corrected in April; denying 97533 and 97535 due to undoing of modifier (using company called Cotiviti) --Basically these edits are reversing the 59 modifier on any code sets. For Anthem MEDICAID, they are denying 97533 and 97535 all the time, not just when billed with 97530.
4. any discussion from the cabinet on the new contracts? Since provider credentialing has been an issue in the past, are there plans to facilitate this moving forward?
