The Kentucky Department for Public Health appreciates the efforts underway to promote the safety of students, staff, and communities at post-secondary educational institutions within the Commonwealth.

Below is a list of school-specific COVID-19 dashboards. This list will evolve as institutions add or edit dashboards.

If you have any questions pertaining to a specific school, please reach out to that school directly.

If you are a College or University that would like to be added to this list, please submit the dashboard information here.
