

Have you lost or misplaced the card you were given when you received your COVID-19 vaccine?

The COVID-19 card you received is issued by the CDC and considered your COVID-19 shot record. It cannot be replaced with another card. However, there are several ways to obtain proof of vaccination:

1. Contact the facility in which you received your COVID-19 vaccine(s) and ask for a printable vaccination record

2. Proof of vaccination may also be printed from the Kentucky Immunization Registry (KYIR).
