Mountain Comprehensive Health Corporation is a non-profit corporation that has been serving our rural population for 50 years. With over 400 employees, including 80+ healthcare providers across multiple specialties, MCHC provides services to over 40,000 patients each year. Currently, MCHC clinics are located in Letcher, Perry, Owsley, Harlan, Pike, Knott, and Bell counties. One of our goals is to prevent and reduce the transmission of COVID-19 in our communities. We pride ourselves in serving our neighbors and supporting them during this pandemic.
