About Onsite Health Solutions:

We have been serving all counties in the Commonwealth since 1993. We are one of the largest health screening providers in the tri-state area. Since the Covid virus first came to Kentucky, we have performed over 40,000 covid tests, vaccinations and boosters. Our dedicated team delivers onsite and in-office testing services. We are happy to serve any school system to continue to provide a safe learning environment for students and staff.
