HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. The funds for this award are sub-accounted in the Payment Management System (PMS) and will be in a P type (sub accounted) account. This type of account allows recipients to specifically identify the individual grant for which they are drawing funds and will assist HRSA in monitoring the award. If your organization previously received a grant under this program, it was in a G type (cash pooled) account designated by a PMS Account Number ending in G or G1. Now that this grant is sub accounted the PMS Account Number will be changed to reflect either P or P1. For example, if the prior year grant was in payee account number 2AAG it will now be in 2AAP. Similarly, if the prior year grant was in payee account 2AAG1, the grant will be in payee account 2AAP1. The P sub account number and the sub account code (provided on page 1 of this Notice of Award) are both needed when requesting grant funds.

You may use your existing PMS username and password to check your organizations P account access. If you do not have access, complete a PMS Access Form (PMS/FFR Form) found at: http://www.dpm.psc.gov/grant_recipient/grantee_forms.aspx and send it to the fax number indicated on the bottom of the form. If you have any questions about accessing PMS, contact the PMS Liaison Accountant as identified at: <http://www.dpm.psc.gov/contacts/contacts.aspx>.
2. As required by the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109–282), as amended by section 6202 of Public Law 110–252, recipients must report information for each subaward of \$25,000 or more in Federal funds and executive total compensation, as outlined in Appendix A to 2 CFR Part 170. You are required to submit this information to the FFATA Subaward Reporting System (FSRS) at www.fsrs.gov by the end of the month following the month in which you awarded any subaward. The FFATA reporting requirements apply for the duration of the project period and so include all subsequent award actions to aforementioned HRSA grants and cooperative agreement awards (e.g., Type 2 (competing continuation), Type 5 (non-competing continuation), etc.). Subawards to individuals are exempt from these requirements. For more information, visit: <http://www.hrsa.gov/grants/ffata.html>.
3. Effective December 26, 2014, all references to OMB Circulars for the administrative and audit requirements and the cost principles that govern Federal monies associated with this award are superseded by the Uniform Guidance 2 CFR 200 as codified by HHS at 45 CFR 75.
4. The requirements of 48 CFR section 3.908 (found at <http://www.ecfr.gov>) implementing section 828 of the National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) entitled "Pilot Program for Enhancement of Contractor Employee Whistleblower Protections" apply to this award. This notice requires that grantees inform their employees in writing of employee whistleblower rights and protections under [41 U.S.C. 4712](#) in the predominant native language of the workforce. The details of 41 U.S.C. 4712 can be found at <http://uscode.house.gov/browse.xhtml>. (regarding 48 CFR section 3.908, note that use of the term "contract," "contractor," "subcontract," or "subcontractor" for the purpose of this term, should read as "grant," "grantee," "subgrant," or "subgrantee").
5. FY2017 MCH Block Grant--partial first quarter funding for the period October1 - December 9, 2016

Program Specific Term(s)

1. Grantee will disregard Block 15, "Program Income" and Block 16 part "d" of the Notice of Award, page 1. Instead this Block Grant award is subject to 45 CFR Part 75 as applicable and individual State Regulations.
2. Travel is required for the MCH and CSHCN Directors for the Block Grant Application/Annual Report Review and the MCH Federal State Technical Assistance Partners Meeting.

Reporting Requirement(s)

1. Due Date: Quarter End Date after 90 Days of Budget End Date

The grantee must submit a Federal Financial Report (FFR). The report should reflect cumulative reporting within the project period and must be submitted using the Electronic Handbooks (EHBs). The FFR due dates have been aligned with the Payment Management System quarterly report due dates, and will be due 90, 120, or 150 days after the grant project period ends. Please refer to the chart below for the specific due date for your FFR:

- Budget Period ends August – October: FFR due January 30
- Budget Period ends November – January: FFR due April 30
- Budget Period ends February – April: FFR due July 30
- Budget Period ends May – July: FFR due October 30

Failure to comply with these reporting requirements will result in deferral or additional restrictions of future funding decisions.
