HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. Effective December 26, 2014, all references to OMB Circulars for the administrative and audit requirements and the cost principles that govern Federal monies associated with this award are superseded by the Uniform Guidance 2 CFR 200 as codified by HHS at 45 CFR 75.

2. This Notice of Award is issued based on HRSA's approval of the Non-Competing Continuation (NCC) Progress Report. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement: http://www.hrsa.gov/grants/hhsgrantspolicy.pdf

3. The funds for this award are sub-accounted in the Payment Management System (PMS) and will be in a P type (sub accounted) account. This type of account allows recipients to specifically identify the individual grant for which they are drawing funds and will assist HRSA in monitoring the award. If your organization previously received a grant under this program, it was in a G type (cash pooled) account designated by a PMS Account Number ending in G or G1. Now that this grant is sub accounted the PMS Account Number will be changed to reflect either P or P1. For example, if the prior year grant was in payee account number 2AAG it will now be in 2AAP. Similarly, if the prior year grant was in payee account 2AAG1, the grant will be in payee account 2AAP1. The P sub account number and the sub account code (provided on page 1 of this Notice of Award) are both needed when requesting grant funds.

You may use your existing PMS username and password to check your organizations P account access. If you do not have access, complete a PMS Access Form (PMS/FFR Form) found at: http://www.dpm.psc.gov/grant_recipient/grantee_forms.aspx and send it to the fax number indicated on the bottom of the form. If you have any questions about accessing PMS, contact the PMS Liaison Accountant as identified at: http://www.dpm.psc.gov/contacts/contacts.aspx

4. The SSDI Program Director is required to attend the Annual SSDI Grantee Meeting.

Standard Term(s)

1. Recipients must comply with all terms and conditions outlined in their grant award, including grant policy terms and conditions outlined in applicable Department of Health and Human Services (HHS) Grants Policy Statements, and requirements imposed by program statutes and regulations and HHS grant administration regulations, as applicable; as well as any requirements or limitations in any applicable appropriations acts.

2. All discretionary awards issued by HRSA on or after October 1, 2006, are subject to the HHS Grants Policy Statement (HHS GPS) unless otherwise noted in the Notice of Award (NoA). Parts I through III of the HHS GPS are currently available at http://www.hrsa.gov/grants/hhsgrantspolicy.pdf. Please note that the Terms and Conditions explicitly noted in the award and the HHS GPS are in effect.

3. “This [project/publication/program/website] [is/was] supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling $XX with xx percentage financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS or the U.S. Government.”

Recipients are required to use this language when issuing statements, press releases, requests for proposals, bid solicitations, and other HRSA-supported publications and forums describing projects or programs funded in whole or in part with HRSA funding. Examples of HRSA-supported publications include, but are not limited to, manuals, toolkits, resource guides, case studies and issues briefs.

4. Recipients and sub-recipients of Federal funds are subject to the strictures of the Medicare and Medicaid anti-kickback statute (42 U.S.C.
1320a - 7b(b) and should be cognizant of the risk of criminal and administrative liability under this statute, specifically under 42 U.S.C. 1320a - 7b(b) illegal remunerations which states, in part, that whoever knowingly and willfully: (A) Solicits or receives (or offers or pays) any remuneration (including kickback, bribe, or rebate) directly or indirectly, overtly or covertly, in cash or in kind, in return for referring (or to induce such person to refer) an individual to a person for the furnishing or arranging for the furnishing of any item or service, OR (B) In return for purchasing, leasing, ordering, or recommending purchasing, leasing, or ordering, or to purchase, lease, or order, any goods, facility, services, or item ....For which payment may be made in whole or in part under subchapter XIII of this chapter or a State health care program, shall be guilty of a felony and upon conviction thereof, shall be fined not more than $25,000 or imprisoned for not more than five years, or both.

5. Items that require prior approval from the awarding office as indicated in 45 CFR Part 75 [Note: 75 (d) HRSA has not waived cost-related or administrative prior approvals for recipients unless specifically stated on this Notice of Award] or 45 CFR Part 75 must be submitted as a Prior Approval action via Electronic Handbooks (EHBs). Only responses to prior approval requests signed by the GMO are considered valid. Grantees who take action on the basis of responses from other officials do so at their own risk. Such responses will not be considered binding by or upon the HRSA.

In addition to the prior approval requirements identified in Part 75, HRSA requires grantees to seek prior approval for significant rebudgeting of project costs. Significant rebudgeting occurs when, under a grant where the Federal share exceeds $100,000, cumulative transfers among direct cost budget categories for the current budget period exceed 25 percent of the total approved budget (inclusive of direct and indirect costs and Federal funds and required matching or cost sharing) for that budget period or $250,000, whichever is less. For example, under a grant in which the Federal share for a budget period is $200,000, if the total approved budget is $300,000, cumulative changes within that budget period exceeding $75,000 would require prior approval). For recipients subject to 45 CFR Part 75, this requirement is in lieu of that in 45 CFR 75 which permits an agency to require prior approval for specified cumulative transfers within a grantee's approved budget. [Note, even if a grantee's proposed rebudgeting of costs falls below the significant rebudgeting threshold identified above, grantees are still required to request prior approval, if some or all of the rebudgeting reflects either a change in scope, a proposed purchase of a unit of equipment exceeding $25,000 (if not included in the approved application) or other prior approval action identified in Part 75 unless HRSA has specifically exempted the grantee from the requirement(s).]

6. Payments under this award will be made available through the DHHS Payment Management System (PMS). PMS is administered by the Division of Payment Management, Financial Management Services, Program Support Center, which will forward instructions for obtaining payments. Inquiries regarding payments should be directed to: ONE-DHHS Help Desk for PMS Support at 1-877-614-5533 or PMSSupport@psc.hhs.gov. For additional information please visit the Division of Payment Management Website at www.DPM.PSC.GOV.

7. The DHHS Inspector General maintains a toll-free hotline for receiving information concerning fraud, waste, or abuse under grants and cooperative agreements. Such reports are kept confidential and callers may decline to give their names if they choose to remain anonymous. Contact: Office of Inspector General, Department of Health and Human Services, Attention: HOTLINE, 330 Independence Avenue Southwest, Cohen Building, Room 5140, Washington, D. cooperative agreement recipients on complying with civil rights laws that prohibit discrimination on these bases. Please see http://www.hhs.gov/civil-rights/for-individuals/index.html. HHS also provides specific guidance for recipients on meeting their legal obligation under Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color or national origin in programs and activities that receive Federal financial assistance (P. L. 88-365, as amended and 45 CFR Part 75). In some instances a recipient’s failure to provide language assistance services may have the effect of discriminating against persons on the basis of their national origin. Please see http://www.hhs.gov/civil-rights/for-individuals/special-topics/limited-english-proficiency/index.html to learn more about the Title VI requirement for grant and cooperative agreement recipients to take reasonable steps to provide meaningful access to their programs and activities by persons with limited English proficiency.

13. Important Notice: The Central Contractor registry (CCR) has been replaced. The General Services Administration has moved the CCR to the System for Award Management (SAM) on July 30, 2012. To learn more about SAM please visit https://www.sam.gov. It is incumbent that you, as the recipient, maintain the accuracy/currency of your information in the SAM at all times during which your entity has an active award or an application or plan under consideration by HRSA, unless your entity is exempt from this requirement under 2 CFR 25.110. Additionally, this term requires your entity to review and update the information at least annually after the initial registration, and more frequently if required by changes in your information. This requirement flows down to subrecipients. Note: SAM information must be updated at least every 12 months to remain active (for both grantees and sub-recipients). Grants.gov will reject submissions from applicants with expired registrations. It is advisable that you do not wait until the last minute to register in SAM or update your information. According to the SAM Quick Guide for Grantees (https://www.sam.gov/sam/transcript/SAM_Quick_Guide_Grants_Registrations-v1.6.pdf), an entity’s registration will become active after 3-5 days. Therefore, check for active registration well before the application deadline.

14. In any grant-related activity in which family, marital, or household considerations are, by statute or regulation, relevant for purposes of determining beneficiary eligibility or participation, grantees must treat same-sex spouses, marriages, and households on the same terms as opposite-sex spouses, marriages, and households, respectively. By "same-sex spouses," HHS means individuals of the same sex who have entered into marriages that are valid in the jurisdiction where performed, including any of the 50 states, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. By "same-sex marriages," HHS means marriages between two individuals validly entered into in the jurisdiction where performed, including any of the 50 states, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. By "marriage," HHS does not mean registered domestic partnerships, civil unions or similar formal relationships recognized under the law of the jurisdiction of celebration as something other than a marriage. This term applies to all grant programs except block grants governed by 45 CFR part 96 or 45 CFR Part 98, or grant awards made under titles IV-A, XIX, and XXI of the Social Security Act; and grant programs with approved deviations.

15. §75.113 Mandatory disclosures.

Consistent with 45 CFR 75.113, applicants and non-federal entities must disclose, in a timely manner, in writing to the HHS awarding agency, with a copy to the HHS Office of Inspector General (OIG), all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Sub recipients must disclose, in a timely manner, in writing to the prime recipient (pass through entity) and the HHS OIG, all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Disclosures must be sent in writing to the awarding agency and to the HHS OIG at the following address:
