# Local Staff Hiring Process Overview

# Local Staff Hiring Process

DPH Local Health Personnel Branch (LHP) provides oversight, monitors staffing levels, and initiates additional staff as needed.

## Part 1: Local Health Department (LHD) Candidate Review and Selection

**Step 1:** LHD visits the Contact Tracing Staffing Documents page:  
<https://sp13external.chfs.ky.gov/sites/OATS/cv19cts/resumes/Forms/Active.aspx>.

Figure 1

**Step 2:** Using the Key Filters search tool at the bottom right of the page, select “Active” under Candidate Status (see fig. 1)

**Step 3:** Select the appropriate “LHD” (see fig. 1)

**Step 4:** Further narrow the search as desired using the remaining categories (see fig. 1)

**Step 5:** Click “Apply” (see fig. 1)

**Step 6:** Filtered options are revealed (see fig. 2)

Figure 2

Name	Last Name	First Name	LHD	Position Title	Hours Available	Vendor Name	Right to Represent attached to resume?	Checked Out To	Candidate Status	Status	Placed/Not Placed	Modified	Modified By
Martha Stewart Resume	Stewart	Martha	Fayette, Woodford	Contact Tracer	Weekends	Crown Services, Inc.	Yes		Active	No		About an hour ago	Stratton, Thomas K (CHFS OATS DPSGO)

Newly uploaded resumes are indicated by a green star. (see fig. 3)

Checked Out resumes are indicated by a green down arrow – not available for review. (see fig. 4)

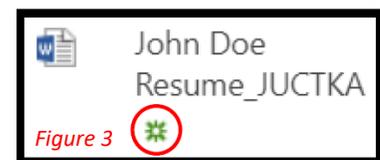

Figure 3

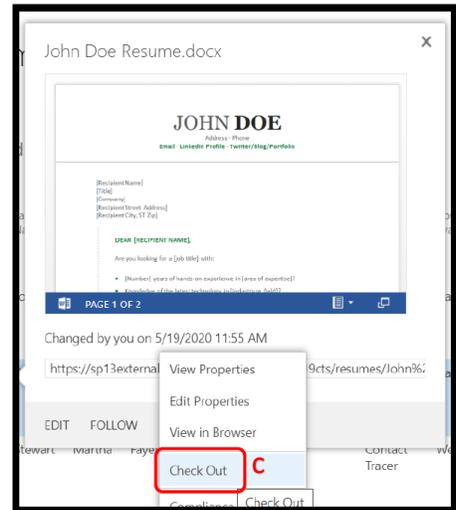

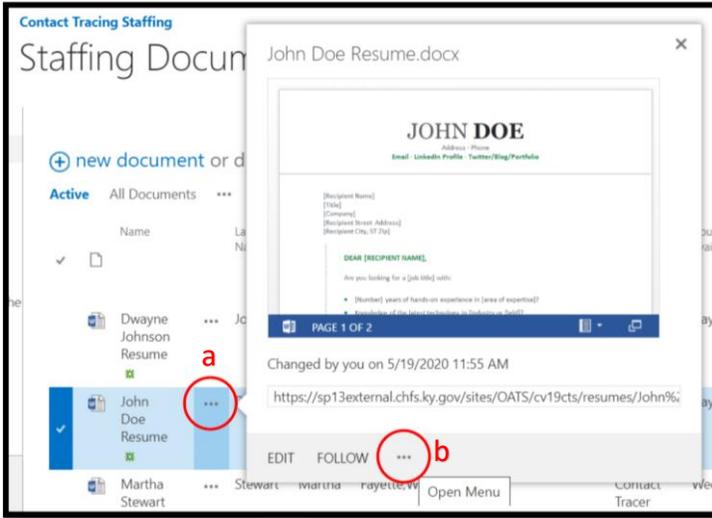

Figure 4

**NOTE:** Checking Out still allows Read Only access to other LHDs. **If the resume is already checked out by another LHD, please do not open it** – the candidate is either currently being reviewed by another LHD, or DPH has it checked out for administrative reasons.

**Step 7:** LHD “Checks Out” the resume to review for consideration.

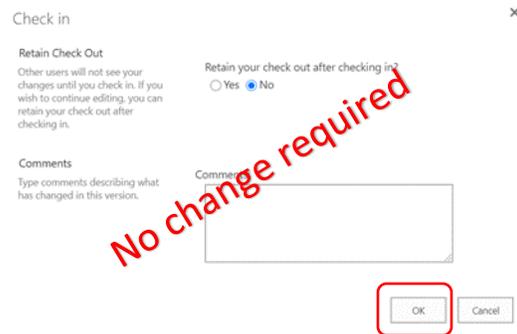

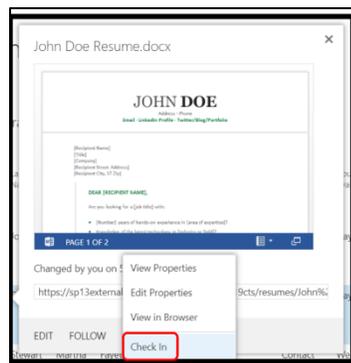

- Hover over the candidate record until it is highlighted blue.
- Left click on the 3 dots to get the pop-up box.
- Left click on the 3 dots at the bottom to open the next menu and select “Check Out”.

**Step 7.1:** LHD moves forward with the candidate, **skip to #8** below.

**Step 7.2:** If LHD decides to NOT move forward with candidate: The resume must be “Checked In” so it is available for other LHDs to review. Steps to “Check-In” a resume include:

- Hover over the candidate record until it is highlighted blue.
- Right click to get the pop-up box.
- Left click on the 3 dots at the bottom to open the next menu.
- Select “Check In”.
- The “Check In” pop-up box will appear. Simply click “OK” here. Nothing else is needed.
- To search for more candidates, go to: <https://sp13external.chfs.ky.gov/sites/OATS/cv19cts/resumes/Forms/Active.aspx> and start with **Step #1** above.

**Step 8:** LHD interviews the candidate in-person, by phone or conference call. Interviews are encouraged but not mandatory. Interview questions are provided on the SharePoint. During the interview, LHD must inform the candidate that they have to report to a state or regional site for state network access if needed. If candidate is selected for employment, jump to **Step 9**

**Step 8.1:** If candidate is not selected, the vendor will reach out to inform the candidate of the decision either via email or phone. LHD “checks in” the resume in SharePoint.

**Step 9:** LHD notifies Vendor. Vendor communicates with the LHD via email to confirm work location and start dates for the candidate. **The Vendor needs to carbon copy the following email addresses:**

- [LH.Personnel@ky.gov](mailto:LH.Personnel@ky.gov)
- [kathy.mcnaughton@ky.gov](mailto:kathy.mcnaughton@ky.gov)
- [Tracey.Huckeba@ky.gov](mailto:Tracey.Huckeba@ky.gov)

**Step 10:** LHD “Checks In” the resume in SharePoint (see **Step #7.2**). Allow 3-5 business days from start date notification to receive equipment, unless LHD can provide temporary equipment.

## Part 2: Onboarding

### Equipment and Access

**Step 1:** LHP completes bulk access request spreadsheet to request Commonwealth email, KOG account, CTT, VPN and NEDSS access.

- LHP sends completed bulk access request spreadsheet to OATS (Katie Cowherd’s team) and [DPH.ContactTracing@ky.gov](mailto:DPH.ContactTracing@ky.gov)
  - The spreadsheet is populated with new hires and is submitted twice per week.
- OATS notifies COT (Greg Thomas) who confirms COT local distribution centers have laptops for the new staff.
  - A task via HEAT is assigned to the local COT Supervisor to work with the local supervisor to confirm the best location for initial laptop login/setup (required to be on State network).
- COT Techs work to transition equipment to new staff.
  - In parallel, OATS (Katie Cowherd’s team) submits the bulk access request spreadsheet to the COT EIM team for: network account creation, email address generation, U and P Drive, and VPN access.
  - The goal is to have the above items set up and ready when the COT Techs set up the computer.
- Once network accounts are created, OATS (Katie Cowherd’s team) will work with the KOG team to generate roles for NEDSS (as necessary) and CTT (role details are provided by DPH in the bulk spreadsheet).
  - A ky.gov email address is required prior to accessing NEDSS or CTT.

- Initial access to NEDSS and CTT may be granted prior to training completion. However, staff must complete training for the respective application prior to having full access. Details of completing training and gaining full access may be found below under the “Training” header.
- Upon completion, OATS (Katie Cowherd’s team) notifies DPH that setup is complete.
  - In turn, DPH will notify the local supervisor that setup is complete.
  - The local supervisor contacts the new hire to confirm all access and setup has been completed.
- **Note:** Local supervisor access to the SharePoint can be granted by contacting: [Jimmie.Patterson@ky.gov](mailto:Jimmie.Patterson@ky.gov)

**Step 2:** Coordinate procurement and delivery of cell phone.

- The Regional Coordinator works directly with Local Supervisor to coordinate the delivery of the cellphone to the new hire.

**Step 3:** Local Supervisor facilitates the completion of Staff Forms and submits the below completed forms to: [DPH.ContactTracing@ky.gov](mailto:DPH.ContactTracing@ky.gov)

- CHFS219
- Cell Phone Agreement
- Laptop Agreement
- NEDSS Paperwork (2 forms)
- EZ Vendor Forms

## Training

**Step 1:** New staff should log into TRAIN ([www.train.org/ky](http://www.train.org/ky)) to create account.

**Step 2:** Staff should begin working through designated training modules as soon as possible while they await access CTT (and NEDSS, if applicable).

- Staff may create an account on TRAIN with a personal email if they have not yet received their ky.gov email. Additionally, a personal device may be used for trainings if the Commonwealth issued laptop has not yet been received.

Training will take a few days to complete and the modules may be found on TRAIN.org by searching for the Plan ID (details of the specific trainings within each course may be found in the Contact Tracing Training Matrix in the Appendix:

Course/Role	Plan ID
Contact Tracer	4485
Data Entry	4500
Disease Investigator	4484
Regional Coordinator	4483
Social Supports Connector	4482

**Note:**

\*If LHD requests NEDSS for contact tracer, contact tracer must complete the Disease Investigator Training Series: 4484 before access will be granted.

\*\*Supervisors can monitor completion of training modules for their staff in TRAIN.

**Step 3 (optional):** If specific trainings are required by the LHD's, the LHD Director should facilitate the completion of these trainings with new staff.

Examples of these trainings may include:

- Local systems and processes
- Further HIPPA or PHI training

**Step 4:** Local supervisors will monitor training progress.

- Braden Hatton connects with CTT Team (David Vick) and NEDSS Helpdesk, respectively, to confirm training is complete. The new hire will be granted full access to the application upon training completion.
  - If training is not completed timely (within 2 weeks of start date), DPH will contact local supervisor.

**Note:** All onboarding documentation will be stored in SharePoint under CTT Onboarding Documentation: <https://sp13external.chfs.ky.gov/sites/OATS/cv19cts/resumes/Forms/Active.aspx>

**Part 3: Invoicing**

**Step 1:** Contract staff personnel submits time sheet to LHD.

**Step 2:** LHD reviews time sheet for accuracy and then signs it.

**Step 3:** LHD emails the signed time sheet to the Vendor.

## Part 4: Staff Personnel Changes/Offboarding

**Termination:** LHD **immediately** communicates the request to terminate in writing by emailing [LH.Personnel@ky.gov](mailto:LH.Personnel@ky.gov) and notifying [CHFSServiceRequests@ky.gov](mailto:CHFSServiceRequests@ky.gov) (copy [Katie Cowherd](#)). LHD will also forward the termination request to the Vendor.

- LHP notifies KOG, [CHFSDPHNEDSSHelpdesk@ky.gov](mailto:CHFSDPHNEDSSHelpdesk@ky.gov) (Emily Goble and Courtney Marshall), and [DPH.ContactTracing@ky.gov](mailto:DPH.ContactTracing@ky.gov) of departure.
  - The network account and email will be disabled immediately.
  - NEDSS access will be revoked almost immediately. For CTT, the departure notification will be passed from DPH (Cameron Diehl) to the CTT Team (David Vick) for disabling.

**Reassignment:** LHD communicates the request in writing by emailing [LH.Personnel@ky.gov](mailto:LH.Personnel@ky.gov).

- Details to send include (but not limited to):
  - Name of individual being reassigned
  - Current Location (LHD)
  - Effective date of reassignment
  - Role to be reassigned to and location (LHD)
  - NEDSS or CTT access to be revoked or role changed
    - Any NEDSS or CTT access change or revocation would follow the applicable steps outlined under the “Termination” process.

**Resignation/Departure:** If employee is resigning or departing for another reason (excluding terminations), LHD may remove access via KOG Request Application.

## Part 5: Helpdesk

### Technical questions or issues with KOG or MFA

- Contact the KOG Helpdesk
  - **Phone Number:** 502-564-0104 Extension: 2
  - **Email Address:** [KOGhelpdesk@ky.gov](mailto:KOGhelpdesk@ky.gov)
  - **Hours of Operation:** Monday – Friday 8:30am -5:00pm ET

### Technical questions or issues with Contact Tracing and Tracking System (CTT)

- Contact the ESMB Helpdesk
  - **Phone Number:** 866-231-0003 Extension 1
  - **Email Address:** [CHFSESMBHelpDesk@ky.gov](mailto:CHFSESMBHelpDesk@ky.gov)
  - **Hours of Operation:** Monday - Thursday 7:30am -5:30pm ET, Friday 7:30am - 5:00pm ET

### Policy or non-system questions

- **Contact the Local Health Department**

**Please Note:** The Helpdesks request that any emails include CTT and a brief description of the issue in the subject line to help triage issues.

# Regional Staff Hiring Process

**Step 1:** The candidate applies through Medasource's website.

**Step 2:** Candidate is screened by a Medasource representative. If the candidate is approved by the Medasource rep, they are scheduled for an interview with KDPH and a Regional Coordinators (RC).

**Step 3:** If job offer is extended, Medasource will reach out to the candidate with onboarding information, start date and location.

**Step 5:** Onboarding paperwork is completed by candidate and submitted to KDPH via email by the respective RC.

- RC submits access requests for the new hire (CTT, NEDSS, KOG)
- RC assigns and signs off on laptop and phone.
  - On the first log on attempt on the laptop, the user must select CHFS as the domain.
  - The new hire must set up the phone. Step by step instructions will be provided on the phone.
