## Instructions on How to Complete the Annual School Immunization Survey Using Infinite Campus

### Health Immunization Compliance Report

Select grade level Kindergarten (00)

- Effective date should be your district opening day.
- Hold down the control key and select:
  - ☒ M: Medical
  - ☒ R: Religious
  - ☒ H: Hx/Dis

**\*\*UNTOGGLE Compliance totals by vaccine**

- ☒ Select all vaccine compliance totals.
- ☒ Select dose count totals by vaccine.
- Uncheck the toggle vaccines box.
- Select the individual vaccines listed below for the grade level report you want to run.
- Click [Generate Report](#)

Opening screen:

#### Health Immunization Compliance Summary Report

This report will give a summary of immunization compliance broken out by grade, compliance status, dose count, and exemptions/waivers with totals for all vaccines selected. Information will not be shown if there are not rules for the vaccines selected.

NOTE: This is a very complex report. Limit the number of students run per batch.

Which students would you like to include in the report?
