DECLINATION OF MANDATORY EPIDEMIC-RELATED VACCINE
ADULT, GUARDIAN, OR EMANCIPATED MINOR

The Centers for Disease Control and Prevention (CDC) and Kentucky Department for Public Health (KDPH) recognize immunization as one of the most effective tools in preventing disease and reducing the risks associated with exposure to certain diseases. KRS 214.036 requires a person who objects to immunization during an epidemic for the disease associated with said epidemic shall provide a written sworn statement objecting to immunization based on their religious or conscientiously held belief.

- Additional information about COVID-19 immunizations and reduced or no cost immunization services is available from the local health department (LHD) in each county.

Due to my religious or conscientiously held belief, I object to receiving the required immunizations selected above. I am aware that if I change my mind, I can rescind this objection and obtain the immunization. Initials _____ Date _______
