## KEIS Program Standards

The Program Standards drive Kentucky's early intervention system and clearly define the services families should receive.

- Family-driven
- Individualized
- Evidence-based
- Natural Environment
- Team-based
- Transition

## KEIS Core Competencies

The Core Competencies reflect the foundational knowledge necessary for everyone who works in the early intervention system.

## Early Intervention Provider Performance Standards

## Service Coordinator Performance Standards

The Performance Standards are role-specific and establish benchmarks and standards for achievement that reflect best practice in early intervention.

## Early Intervention Provider Self-Assessment

## Service Coordination Self-Assessment

The Self-Assessment tools provide guidance on the specific skills and actions involved throughout the early intervention process and allow for reflection on implementation. The Performance Standards are embedded within the Self-Assessment tools.
