VENDOR APPLICATION PROCESS

Before any food instruments can be accepted, each vendor applicant must complete the forms contained in the application packet. The Kentucky WIC Manual for Applying Retailers provided detailed instructions for the completion of each of the forms. The applying vendor must receive an on-site visit by the local agency. This on-site visit is performed only if the applying owner has taken possession of the store, or in the case of a transfer of ownership after the transfer has been completed.

A. For applying grocery/drug stores, the local agency will:

1. Provide the applicant with the appropriate vendor application packet upon request. The packet is available from the State WIC Office and contains the necessary forms. Inform the vendor applicant that food instruments cannot be redeemed until the authorized vendor stamp has been received, the stand-beside device or POS integration has been activated, and training has been received on the procedures for handling food instruments.

2. Submit the properly completed application, price list, three (3) copies of the Vendor Agreement, Vendor Sales form, Sales & Use Tax forms to the State WIC Office within thirty (30) calendar days of receipt.

3. Notify the vendor applicant if he does not meet the criteria to be a WIC vendor after two (2) site visits in writing, stating the reason for the denial of the application, the right to appeal and cite the authorization criteria and appeal procedure. The authorization criterion is in Administrative Regulation 902 KAR 18:050 and the appeal procedure is in 902 KAR 18:081.
   a. A copy of the denial letter and the application must be placed in the agency file and copied to the State WIC Office.
   b. Do not sign a Kentucky WIC Vendor Agreement with an unqualified vendor applicant.
   c. The applicant cannot reapply for the Program for sixty (60) days from the date of denial. After three (3) unsuccessful reviews, the applicant may not apply for one hundred twenty (120) days from the date of denial. Each subsequent denial results in an additional sixty (60) days before an applicant may reapply.

4. Verify the vendor applicant is eligible based upon the local agency review. If he is eligible, have the applying owner, corporate representative or lessee (if applicable) sign three (3) original Agreements. Review the Agreement and the consequences of Program abuse with the vendor applicant. Inform the applicant not to redeem any WIC food instruments until vendor stamp has been received and stand-beside device or POS integration has been activated. If any transactions are made, a monetary claim will be imposed.

5. Deliver the authorized WIC vendor stamp, vendor’s copy of the Agreement, training checklist, manual, shelf tags, door decals and food lists within fourteen (14) calendar days of receipt of the stamp from the State WIC Office. (Note: the POS/XAC device (if applicable) will be sent to the vendor by the EBT host processor.) Training of the vendor in WIC Program policies and procedures must be performed by this time. See the Initial Vendor Training Outline for specifics regarding training. Use the appropriate Vendor Training Checklist (WIC-39) for documentation. Send a copy of the completed checklist to the State WIC Office.

6. Retain copies of the completed forms in the vendor’s file for the length of time the vendor is on the Program.

B. For applying grocery stores the local agency will:

1. Provide the applicant with the Vendor application packet which contains: (See Forms in this Section)

   a. The Kentucky WIC Vendor Application (WIC-14)

   b. The Kentucky WIC Approved Items Price List (WIC-24)

   c. WIC Vendor Sales Information Form (WIC-16)
d. Three (3) original Kentucky WIC Vendor Agreements (WIC-13)

e. The Kentucky WIC Manual for Applying Retailers

2. Perform an on-site visit to the store upon receipt of a properly completed application, which includes the following:

a. Grocer's section of Application fully completed.

b. Compare completed price list provided by vendor to their shelf prices.

c. Vendor sales form (WIC-16) with Kentucky Sales & Use Tax forms.

3. Use the Local Agency Use Only section of the Vendor Application (WIC-14) to:

a. Determine if the store stocks the minimum inventory by circling “yes” if the store meets both the “inventory specifications” and the “total quantity required in stock.” Circle “no” if the store does not meet inventory. The stock must be on the shelves or in the stockroom. Expired foods are not to be counted for meeting inventory.

b. Indicate if the prices of the food items in the store are clearly marked either on the shelf, display case or on the food item by circling “yes” or “no.” Pricing must be displayed in order to comply with the terms of the Vendor Agreement (WIC-13).

c. Verify that the prices on the Approved Items Price List (WIC-24), submitted by the store, match the shelf, item or display case price of the WIC approved foods. A cost plus 10% store must post the final price (WIC price) on the shelf or on signage in the aisle. Complete another price list if corrections are necessary. Sign the WIC-24 to indicate the prices have been reviewed.

d. Indicate if the store is primarily a retail grocery or convenience store.

e. Indicate other items sold at this store (e.g. gasoline, lottery tickets, hardware, etc.).

f. Indicate whether or not the store is eligible or not based upon the review of the criteria for selection of vendors. See Process to Become a Vendor in the Kentucky WIC Manual for Applying Retailers.

g. If the application is to be denied, the local agency will notify the retailer. See Forms in this Section for Sample Letter.

h. Remind the store that drug stores must be able to supply formula within forty-eight (48) hours of verbal request. (See 1.e) of the Kentucky WIC Vendor Agreement (WIC-13).

i. Drug stores are solely authorized for the purpose of providing special formula. This does not include contract brand formula.

C. Major and Independent Chain Stores Participating in the WIC Program. If participating major or independent chains open a new store, the local agency will:

1. Send an application packet to the store or corporate representative upon request. This packet is requested from the State Agency.

2. Check with the State WIC Office to determine if this is a major or independent chain in good standing.
3. Instruct the applicant to contact the local agency when the store has received and stocked nonperishable (dry) inventory. The on-site visit may be done at this time to review the dry inventory. Perishable products, such as milk and cheese, are normally stocked one (1) to two (2) days prior to the opening of the store for business.

4. At the time of the on-site visit, the applicant will supply the local agency staff with the names of the perishable products and their respective prices. All prices will be entered on the Price List.

5. WIC business cannot begin until the completed Application (WIC-14) and Agreement (WIC-13) are approved, the vendor stamp is received, the stand-beside device or POS integration is activated and store management is trained in WIC procedures.

D. The State WIC Office will:

1. Send an approval letter, vendor stamp, two (2) signed copies of the Vendor Agreement, training checklist, manual, shelf tags, door decals, and food lists to the local agency within thirty (30) calendar days of receipt of the properly and fully completed application (WIC-14).

2. Request, in specific cases, a bill of sale, proof of ownership and/or other documentation.

The circumstances surrounding the change in the business will determine whether WIC business ceases or if WIC business continues. However, in all cases the vendor must notify the contracting agency immediately. As stated in the Kentucky WIC Vendor Agreement and Federal Regulations, “This Agreement is non-transferable and shall become void upon change of ownership.” The authorized WIC vendor should notify the contracting agency, in writing, at least ten (10) days of any change. See Forms Index for Application Update and Agreement.

4. Maintain a signed Training Checklist in each vendor's file for all initial vendor training sessions, either group or individual.

B. Annual and Additional

Training of vendors is provided to prevent Program errors, Program abuse and to improve Program service. The State WIC Office, in conjunction with the local agency, will provide the annual training for participating vendors. Vendor Agreement renewal time is the preferred time to conduct annual group training sessions and sign Vendor Agreements. The State WIC Office will notify the local agency when it is time to begin scheduling training sessions and determine a training date. In case of a multi-county agency, a session may be conducted in more than one county. A vendor who misses the training in a particular county must be referred to another county for a makeup session.

   a. Make the local arrangements for the training sessions.

         • If the owner or corporate representative is attending the training session and more than one store is contracted, then an appropriate representative from each store must attend the session.

      (3) If the owner or appropriate person (manager, head cashier, cashier, etc.) does not attend a scheduled training session, the contract will end on September 30th and will not be renewed. The vendor will not be paid for any food instruments redeemed after that date.

      (4) Store personnel who attend training are responsible for ensuring other employees are properly trained.

   d. Ensure that either the WIC Coordinator or the designated local agency person who works with vendors attends training.

   e. Ensure that the Training Checklist is checked and signed by each store’s representative. If any item is not checked as being understood, then the person conducting the training will review the subject or procedure until it is understood.
f. Submit the completed Vendor Training Checklist to the State WIC Office along with the Vendor Agreements. The local agency must maintain a copy of the Training Checklist for three (3) years from the end of the federal fiscal year.

2. The local agency will provide additional training if requested by the State WIC Office, the vendor or if deemed necessary by the agency.
   a. Documentation must be maintained in the individual vendor file for technical assistance or any additional training.
   b. Documentation must include: date of the training session, person(s) and their position(s) receiving training for that vendor, content of the training session and/or a signed Vendor Training Checklist.

4. Inventory
   a. Must maintain at all times in the store.
   b. Food must be within manufacturer’s expiration dates.
   c. Two monitor visits to store – if not in compliance contract will be terminated or non-renewed.
   d. Termination periods – 60 days-1st offense, 90 days-2nd offense, 120 days for each subsequent offense.

5. Pricing
a. Display the prices (shelf prices) of WIC foods on each item or on the display case or shelf where those items are located. Cost Plus 10% stores must post final price as WIC price on the shelf or use signage in the aisle.

1) Two monitor visits to store – if not in compliance contract will be terminated or non-renewed.

2) Termination periods – 60 days-1st offense, 90 days-2nd offense, 120 days for each subsequent offense.

b. Charge the WIC Program the current shelf price or less. In no event shall food costs charged exceed the shelf price of the food provided. In the event more than one price is posted for an individual item, the lower price is to be charged.

6. Kentucky WIC Approved Shelf Tags

Correctly identify Kentucky WIC approved foods using only shelf tags approved or provided by the Kentucky WIC Agency. If more than three (3) items are incorrectly labeled as WIC foods, a follow-up monitoring visit will be conducted within thirty (30) days. If more than three (3) items are incorrectly labeled during the follow-up visit, the store’s contract will be terminated, disqualified, or not renewed.

7. Procedures for Redemption including a review of all of the Vendor’s Responsibilities (See Manual for Contracted WIC Vendors)

(1) Comply with all policies and procedures contained in the Manual for Contracted Vendors and Kentucky WIC Vendor Agreement.

(2) Accept only those food instruments issued by a Kentucky WIC Agency.

(3) Accept only those food instruments within the issuance dates.

(4) Allow a WIC participant to use other forms of payment for purchases in excess of the benefits.

(5) Accept food instruments without any alterations.

(6) Allow only approved foods as specified on the food instrument. Do not substitute foods or allow more than the amount of food specified – only cheese may be issued in 2 (8 oz.) quantities to equal 1 lb. and adult cereal may be issued in ounces to be equal to or less than the amounts specified.

(7) To not require participant, parent, caretaker or proxy to purchase all foods listed on the food instrument. To not provide rain checks, IOU’s, due bills, cash or any type of credit, or provide incentive items such as diapers, strollers, lottery tickets, etc., to encourage participants to redeem benefits in your store.

(8) Repay to the State Agency any documented overcharges and to refund to the State Agency any payment previously made on improper or invalid food instruments.

(9) Continue to accept WIC Program handwritten food instruments until such time as no longer used by the State Agency.

(10) Dispense WIC food items to participants, parents, or caretakers of infant or child participants or proxies within the confines of the store, more specifically, within the four (4) walls of the establishment. Drive-up windows and home deliveries are prohibited.

(11) Understand the scanner system identifying WIC approved foods is not fail proof; the current WIC Approved Food List is the final authority and should be utilized to avoid confusion.
(12) Allow WIC participants, parents or caretakers of infant or child participants or proxies to use store loyalty cards, cents off coupons, “buy one, get one”, promotions, and to afford WIC participants the same discounts and benefits as offered other customers.

1) Buy one, get one free:
   - If the cardholder has one or more units and/or a sufficient benefits balance that can be applied to the advertised food item, only the value of the purchased food item shall be deducted from the benefit balance or charged to the WIC Program.

2) Buy one, get one at a reduced price:
   - If the cardholder has at least two of the food items in a benefits balance, then both units shall be deducted from the balance. State WIC Agency reimbursement shall be for the full price for the first food item and the reduced price for the second food item.
   - If the cardholder has only one unit of the food item in the benefit balance, the unit shall be deducted from the balance and cash or other payment shall be used to purchase the second food item at the reduced price. State WIC Agency reimbursement shall be for the full price of the first food item. The second food item is not reported to the State WIC Agency.

(13) A vendor must not:
   - Solicit a WIC participant’s business or that of a parent, caretaker, or a proxy on the premises of any Health Department or other authorized WIC Agency.
   - Make any physical changes or alterations to the food instrument.
   - Honor food instruments that appear to have been altered.
   - Substitute any foods or allow more than the amount of food specified on the food instrument.
   - Allow a WIC participant, parent, caretaker, or proxy to exchange WIC foods for cash or other non-approved items. In the event that a WIC food item is defective, spoiled, or have exceeded its sell-by/use date, etc., an exchange may be made only for the exact brand and size of the original food item returned by the participant.
   - Request the participant’s confidential PIN (personal identification number) or confiscate the eWIC card at any time.
   - Charge sales tax on WIC foods.
   - Seek restitution from a participant, parent, caretaker or proxy for food instruments not paid or fully paid by the WIC Program.
   - Require a participant, parent, caretaker, or proxy to purchase other foods at the store in order to redeem WIC food instruments.
   - Charge the Program for foods not obtained by the participant, parent, caretaker, or proxy.
   - Make home deliveries.
   - Improperly utilize the WIC acronym and the WIC logo as they are service marks owned by the Department of Agriculture (U.S.D.A.) and all rights belong exclusively to U.S.D.A.

8. Responsibilities of an eWIC Vendor:
   a. Implement and maintain a Food and Nutrition Services certified and automated system.
   b. To update software as required by changes to the WIC EBT Operating Rules and Technical Implementation Guide.
   c. Accept liability for any redemption of WIC benefits.
   d. Accept as payment in full the not-to-exceed (NTE) amount for each WIC approved food item.
   e. Ensure that the most current Approved Product List (APL) is installed in the store system.
   f. Provide capability for the WIC participant to retrieve benefit balance while in the store.
g. Provide a receipt to WIC participants, parents, or caretakers of infant or child participants or proxies at the time of transaction. See Forms in this Section.

h. Ensure a process that allows the WIC participant entry of their PIN in a manner that protects the security of the PIN.

i. Maintain the certified automated system in a manner necessary to ensure system availability for the WIC Program redemption processing during store operational hours.

j. Shall not charge the WIC Program participant any fee, either directly or indirectly, arising out of or associated with operating, maintaining, or processing electronic transactions.

k. Provide timely transaction documentation as requested and fully cooperate in resolution of any dispute arising in relation to a WIC redemption.

l. Contact Local Health Department:
   (1) If eWIC card is found in store
   (2) To report a customer for behavior/abuse (See Forms in this Section)

9. Not To Exceed (NTE)
   1) NTE is the maximum amount the WIC Program will pay for a specific food item redeemed at a store in a specific peer group. Kentucky classifies its stores into twelve (12) peer groups based on sales volume and region.
   2) The NTE is calculated from the prices by Universal Product Code (UPC) that are submitted through eWIC transactions by each authorized retailer.
   3) An average redemption price is calculated on a weekly basis.
   4) NTEs are applied to each food item when a transaction is presented for approval. If the price exceeds the NTE, it is reduced to the NTE value in the settlement file. The approved transaction returned to the store indicates if a price was reduced and the amount the store will receive as reimbursement for that transaction.

10. Revalidation
    a. Refer to the Manual for Contracted WIC Vendors concerning revalidation of all mistakes.
    b. Handwritten food instruments must be submitted and clear the bank within ninety (90) days of the “first day to use” even when revalidated.

11. Submission of Vendor Sales Information and Sales & Use Tax forms within time frames required. First offense – sixty (60) days termination; second offense – ninety (90) days termination; and one hundred twenty (120) days for each subsequent offense. Refer to Manual for Contracted WIC Vendors.

12. Training
    a. Vendor may request additional training
    b. Vendor responsible for training employees
    c. Vendor responsible for actions of employees

14. Agreement

VENDOR MONITORING AND VENDOR SANCTIONS

A. Monitoring of vendors is performed in order to ensure vendors continue to meet the criteria for selection of vendors, detect training needs, prevent Program abuse and target high risk vendors.

The State WIC Office will:

1. Monitor every contracted grocery store. (Does not apply to drug stores.)
2. Identify high risk vendors by using criteria established by the State WIC Office and federal regulation.
3. Review a vendor’s adherence to competitive pricing.
4. Document to the local agency if any problems exist with the monitored vendors and request follow-up action; i.e., vendor training, retrieval of the WIC Vendor Stamp, stand-beside device, if applicable, etc.
5. Perform overcharge reviews, desk audits for overcharging, inventory audits and apply the appropriate corrective action, claim or sanction.
6. Request repayment for items which are overcharged, invalidly or improperly redeemed, in addition to applying the appropriate sanction.
7. Recommend vendors for compliance buys to the Office of the Inspector General and apply the appropriate sanction, if applicable.

B. When a vendor sanction is issued, the State WIC Office will notify the vendor, in writing, of sanctions to be imposed for the documented abuse. Sanctions will be imposed for the type of abuse as stated in the Administrative Regulation 902 KAR 18:061, which notes the type of abuse and the sanction for that abuse. A vendor has fifteen (15) days from receipt of notice to appeal an applied sanction.

1. If sanctions are brought against a WIC vendor, the local agency will:
   a. Receive a copy of the sanction.
   b. If requested by the State WIC Office, consider whether an imposed sanction period would create inadequate participant access in accordance with 902 KAR 18:071.
   c. Obtain the Authorized WIC Vendor Stamp and stand-beside device, if applicable, and submit them to the State WIC Office when the sanction is placed into effect. The local agency will be notified when a vendor appeals a sanction. A vendor who has appealed may keep the Vendor Stamp until the Hearing Officer issues a decision. If the Hearing Officer has rendered a decision in favor of the State WIC Office, the vendor will be notified of a date to return the Authorized WIC Vendor Stamp and stand-beside device, if applicable.

C. Local Agencies must:

1. Refer vendors who abuse the Program to the State WIC Office in writing.
2. Not contract with a vendor who has a sanction in effect. Sanctioned vendors cannot be approved for the Program until the sanction period has concluded.
POLICIES AND PROCEDURES FOR HANDWRITTEN FOOD INSTRUMENT-REVALIDATION

A handwritten food instrument is edited at the State WIC Office contracted bank for accuracy and is rejected if it does not meet Program requirements. Reasons for rejection include: agency or vendor stamp missing, stale check, date redeemed invalid, missing or altered, pay exactly missing or altered and signature missing. The handwritten food instruments will be returned through the Federal Reserve System using banking codes. The handwritten food instrument will be returned as a bank image (copy of the food instrument). Additionally, a vendor may identify an error prior to submission to the local bank. Limited provisions have been made for revalidating some of the handwritten food instruments that are not properly completed. In order for a vendor to deposit food instruments in a timely manner, revalidation should be done on handwritten food instruments prior to the vendor submitting them for payment, however, revalidation may be done after they have been rejected by the contracted bank.

A. Agencies are responsible for all revalidation for their contracted vendors, in order that vendors’ performance can be monitored.

B. Limits have been set on the number of times that a vendor may receive revalidation for specific reasons and some revalidations are on a one time only basis. A one-time only basis is defined as one time only for the contract year. Also, one time only pertains to one time only submission of food instruments/cash value benefits, not just one handwritten food instrument. For example, if the vendor sends in three (3) handwritten food instruments at the same time for a “date redeemed invalid” and does not supply documentation for any of the three, all three will be revalidated on a one time only basis. No more revalidation for that specific reason can be given during that contract year.

C. The local agency will notify a vendor, in writing, when a one-time only revalidation has been given. A copy of the letter must be retained in the WIC vendor file at the local agency and a copy sent to the State WIC Office to be placed in the vendor file.

D. The agency with whom the vendor has a contract may revalidate handwritten food instruments based upon the following procedures:

1. Review the handwritten food instruments submitted for the errors and appropriate accompanying information.
2. Use the revalidation stamp only on handwritten food instruments which meet the qualifications to be revalidated.

Stamp the handwritten food instrument in the shaded area. Do not cover the MICR line (numbers at the bottom of the handwritten food instrument) or the WIC Vendor Stamp imprint.

E. Revalidation may be done only for the following reasons and must not exceed the frequency specified for each condition. The proper documentation must be supplied as specified for each condition.

1. AGENCY STAMP MISSING/Exception Reason “S” – Refer to Maker

   a. If the vendor has not submitted the handwritten food instrument for payment, the contracting agency can put the agency stamp on the handwritten food instrument provided the handwritten food instrument will be less than sixty (60) days from the first valid date when presented to the state contracted bank. If it will exceed sixty (60) days but is less than ninety (90) days from “first date to use,” it must have a revalidation stamp prior to payment.

   b. If the handwritten food instrument has been rejected by the contracted bank for agency stamp missing, the handwritten food instrument/cash value benefit must have a revalidation stamp before payment can be made.

2. STALE CHECK/Exception Reason “G” – Stale Dated
The contracted bank rejects handwritten food instruments submitted after sixty (60) days from “first day to use.” Review the handwritten food instruments to ensure proper completion.

a. If the contracted bank has rejected the handwritten food instrument due to it reaching the bank more than sixty (60) days, but less than ninety days (90), a revalidation stamp is necessary for payment to be made.

b. If the vendor has failed to submit the handwritten food instrument in sixty (60) days but it will reach the contracted bank in less than ninety (90) days, a revalidation stamp is necessary for payment.

c. If the handwritten food instrument is over ninety (90) days from “first day to use,” it cannot be revalidated without approval from the State WIC Office.

3. VENDOR STAMP MISSING/ Exception Reason “S” – Refer to Maker

a. Instruct the vendor to place authorized vendor stamp in the appropriate block.

b. If the handwritten food instrument will reach the contracted bank in less than sixty (60) days from the “first day to use,” no revalidation stamp is required. If the handwritten food instrument will not reach the contracted bank within sixty (60) days, but will reach it in less than ninety (90) days from the “first day to use,” the handwritten food instrument must be revalidated.

4. DATE REDEEMED INVALID/ Exception Reason “G” – Stale Dated or “N” – Post Dated

a. If the “date redeemed” is not within the valid dates, revalidation is on a one time only basis.

b. If the date is missing and the handwritten food instrument has been rejected by the contracted bank, documentation must be presented to substantiate a valid date of redemption.

- Sufficient documentation is a machine dated cash register receipt, machine dated cash register validation showing the date on the handwritten food instrument or a deposit date.
- If sufficient and proper documentation is provided, revalidation is unlimited.
- The handwritten food instrument must have a revalidation stamp before it can be re-deposited.
- Revalidation for this condition is one time only without proof.

c. If the “date redeemed” is altered, the bank will review the back of the handwritten food instrument to see if there is a machine dated cash register validation. If yes, and the validation matches the date entered on the face of the handwritten food instrument the handwritten food instrument will be paid.

d. If the “date redeemed” is altered and there is no machine dated cash register validation on the back of the handwritten food instrument, documentation must be presented to substantiate a valid date redeemed. Sufficient documentation is one (1) machine dated cash register receipt. If sufficient and proper documentation is provided, revalidation is unlimited. The handwritten food instrument must have a revalidation stamp before it can be paid. Revalidation for this condition is a one-time only basis without proof.

5. PAY EXACTLY ALTERED/Exception Reason “W” – Cannot Determine Amount

a. If the handwritten food instrument is missing the “pay exactly” amount and the handwritten food instrument has been rejected by the bank, documentation must be provided to the local agency to substantiate the amount of purchase. One (1) machine dated cash register entry on the handwritten food instrument or a machine dated cash register receipt is considered documentation. The handwritten food instrument must be revalidated before it can be paid. If sufficient and proper documentation is provided, revalidation is unlimited.

b. If the “pay exactly” amount is altered, the bank will review the back of the handwritten food instrument to see if there is a machine dated cash register validation. If yes, and the validation matches the “pay
exactly” amount entered on the face of the handwritten food instrument, the handwritten food instrument will be paid.

c. If the “pay exactly” amount is altered and there is no machine dated validation on the back of the handwritten food instrument, documentation must be presented to the local agency to substantiate the “pay exactly” amount. One (1) machine dated cash register receipt is considered proof. A second cash register receipt or cash register validation will be accepted only in those instances where an item was omitted from the original total. In this instance, the cash register receipt or cash register validation must be the next transaction on the same cash register. A properly completed WIC Vendor Corrections Form may be used only when a vendor does not have a cash register that documents the transaction on the receipt. If sufficient and proper documentation is provided, revalidation is unlimited. A revalidation stamp must be placed on the handwritten food instrument before payment can be made. The limit on revalidation without proof is on a one time only basis.

6. PRICE ADJUSTMENTS

   The local agency may make a price adjustment to any handwritten food instrument submitted for revalidation. For example, if the cash register receipt indicates that unapproved food(s) were allowed, the local agency will adjust the pay exactly amount by deducting the price of unapproved food(s) and entering the correct total only for WIC approved foods. The local agency must place a revalidation stamp on the handwritten food instrument before payment can be made. Revalidation is unlimited.

7. PARTICIPANT’S SIGNATURE/Exception Reason “K” – Signature Missing

   If the handwritten food instrument has been rejected for a missing signature, the handwritten food instrument must have a revalidation stamp before payment can be made. Revalidation is for one time only.

F. Handwritten food instruments presented for payment or revalidation after ninety (90) days from the “first day to use” are not normally eligible for revalidation.

1. Justification and documentation must be made to the State WIC Office by the vendor through the agency if extenuating circumstances exist which prevent the store from submitting handwritten food instruments for payment/revalidation within the specified time frame.

2. The State WIC Office will then consider approving payment. If the total of these handwritten food instruments exceeds $500, prior approval must be obtained from the USDA Regional Office.

G. Agencies are responsible for documenting all revalidations on the WIC Revalidation Form.

2. For the services as hereinafter set forth, the First Party Agrees:
   a) To comply with applicable Federal and State policies, procedures and regulations relating to the WIC Program;
   b) To provide to non-integrated participating retailers a stand beside point of sale device at no cost to the retailer. The maximum number of lanes that will be subsidized is determined as follows:
      - $1 - $21,999 of WIC sales monthly = one lane; or
      - $22,000 - $32,999 of WIC sales monthly = two lanes; or

   g) To monitor the Second Party’s performance under this Agreement and to inform the Second Party of the results thereof;
   h) To provide the Second Party with training and written instructions on the Program’s operations.

3. The First Party reserves the right to deny payment for any altered, defaced or mutilated food instrument submitted for payment outside the allowable time frames.
4. In the event a claim is assessed against the Second Party after the food instrument has been paid, then the First Party may offset future payments to the Second Party for the amount of the claim in addition to applying the sanction as indicated in Administrative Regulation 902 KAR 18:061; 

5. The First Party will deactivate the Second Party from the WIC Direct System when their acquirers and/or third party processors are found in non-compliance with WIC EBT Operating Rules and WIC EBT Technical Implementation Guide; 

6. The parties hereby agree to comply with all appropriate Federal and State Civil Rights Laws and Regulations and state that they do not discriminate against any participant, parent or caretaker of an infant or child participant or proxy for reasons of race, color, national origin, age, sex or disability, Nondiscrimination Regulations of the United States Department of Agriculture (7 C.F.R., Part 15) and Title VI of the Civil Rights Act of 1964 (P.L. 88-352). 

7. The Second Party states that he is knowledgeable and aware that a vendor who commits fraud or abuse of the Program is liable for prosecution under the applicable Federal, State or local laws. The Vendor agrees and understands that, under 7 C.F.R. 246.23, those who have willfully misapplied, stolen or fraudulently obtained Program funds shall be subject to a fine of not more than $25,000 or imprisonment for not more than five years or both, if the value of the funds is $100 or more. If the value is less than $100, the penalties are a fine of not more than $1,000 or imprisonment for not more than one year or both. 

8. The Second Party agrees and understands that it is not the intent of either this Agreement or Administrative Regulation 902 KAR 18:061 to differentiate between intentional and unintentional overcharging or other Program violations and that, in addition to any sanctions imposed by the Cabinet under Administrative Regulation 902 KAR 18:061, the second party will repay to the First Party any documented overcharges and to refund to the First Party any payment previously made on improper or invalid WIC benefits, whether overcharging is intentional or unintentional. The First Party does not have to provide the second party with prior warning that violations were occurring before imposing sanctions. 

9. Either party shall have the right to terminate this Agreement at any time upon thirty (30) days advance written notice served upon the other party by registered or certified mail; provided, however, that the First Party may terminate this Agreement immediately for cause upon fifteen (15) days written notice served upon the Second Party by registered or certified mail with return receipt requested. The First Party may disqualify a vendor or impose a civil money penalty in lieu of disqualification, for reasons of program abuse in accordance with Administrative Regulation KAR 18:071. Civil money penalties will only be imposed for reasons of inadequate participant access. The First Party may agree to the use installment plans for the collection of civil money penalties. If the Second Party does not pay, only partially pays or fails to timely pay a civil money penalty assessed in lieu of disqualification, the First Party shall disqualify the Second Party for the length of disqualification corresponding to the violation for which the civil money penalty was assessed. 

10. The Second Party has a right to appeal a decision pertaining to denial of application to participate, vendor disqualification or other adverse action which affects participation during the Agreement performance period in accordance with Administrative Regulation 902 KAR 18:081. In accordance with 902 KAR 18:081, certain adverse actions are not subject to review, such as, expiration or non-renewal of an Agreement with a vendor, disqualification of a vendor as a result of disqualification from the SNAP Program and the State WIC Agency’s determination regarding participant access is not subject to review. If the disqualification of the Vendor is reversed through administrative or judicial review, the First Party shall not be liable for the value of sales lost during the disqualification period. 

11. In the event of a disqualification, withdrawal or an assessment of a civil money penalty of a vendor by the SNAP Program or any other United States Department of Agriculture (U.S.D.A.) Food and Nutrition Service (FNS) Program, the Vendor shall be disqualified from the WIC Program upon written notice by
registered or certified mail with return receipt requested. The Second Party states that he is knowledgeable that disqualification from the WIC Program may result in disqualification from the SNAP Program. Such disqualification may not be subject to administrative or judicial review under the SNAP Program; however, a WIC Program disqualification as a result of a SNAP Program civil money penalty for hardship is subject to administrative review.

12. This Section shall be applicable only to Military Commissaries:
   a) In view of Federal immunity from State claims or review, the First Party may not conduct on-site monitoring review of Military Commissaries (except upon written invitation by the constituted military authority) or require claims to be paid;
   b) If the First Party identifies a possible problem, it shall write the commanding officer of the installation or his designee requesting repayment or to initiate an investigation;
   c) If the First Party wishes to further pursue problem resolution, it will refer the case to the United States Department of Agriculture (U.S.D.A.). The Food and Nutrition Services (FNS) Program in conjunction with the Department of Defense may conduct on-site monitoring reviews and submit claims to Military Commissaries for the WIC Program;
   d) Military Commissaries will be reimbursed, based upon the standard commissary price system of procurement costs plus a percentage surcharge; and
   e) Military Commissaries are only obligated to serve qualified active or retired military personnel and their Dependents.

13. In the event the Second Party, intentionally or unintentionally, fails to continue to meet the vendor authorization criteria as specified in Administrative Regulation 902 KAR 18:050, during the term of the Agreement, the First Party will upon notice to the Second Party terminate or not renew this Agreement in accordance with 902 KAR 18:061.

14. In the event the Second Party intentionally or unintentionally fails to meet any of the terms of the Vendor Agreement, the First Party will upon notice to the Second Party terminate or not renew this Agreement in accordance with 902 KAR 18:061.

15. The First Party reserves the right to modify this Agreement at any time upon written notice to the Vendor.

16. Neither the First Party nor the Second Party has an obligation to renew this Vendor Agreement. Expiration or nonrenewal of an Agreement is not subject to review in accordance with 902 KAR 18:081.

17. Renewal of this Agreement does not relieve the Second Party of any previous violations from any prior Agreements with the First Party or the Department for Public Health, which were in effect on or after October 1, 1999.

18. The First Party will terminate this Agreement if they identify a conflict of interest, as defined by applicable State laws, regulations and policies, between the Second Party and the First Party or its local agencies.

19. The First Party will immediately terminate this Agreement if any authorized vendor is found to meet the more than fifty percent (50%) criterion, (the First Party derives more than 50% of their annual food sales revenue from the sale of food items purchased).

20. The First Party may release for general information a vendor’s name, address, authorization status, phone number, website, email address and store type (e.g., grocery store, chain store, independently owned store). All additional information will remain confidential for release only for specific individuals directly connected with the administration or enforcement of local, Federal and State laws and ordinances.

21. The First Party’s regular business hours are 8:00 a.m. to 4:30 p.m., Monday through Friday, Eastern Standard Time (EST), excluding holidays.
22. This Agreement does not constitute a license or property interest and is non-transferable and shall become void upon change of ownership. The Second Party shall notify the First Party at least ten (10) days prior to the sale of the business, change of ownership, ceasing operation, relocating, or leasing the operation of the business.

23. This Agreement shall not become effective until approved by the Department for Public Health.

B. Approved Product List
I CDP will ensure that a current Approved Product List (APL) appropriate for each store is available in an FTP directory. (It is the Store’s obligation to download the correct APL so as to maintain redemption integrity.)

   a Settlement funds due the Store will be moved to the designated store bank account using ACH services.

   b The source of these funds will be a settlement account held by the Commonwealth of Kentucky.

II Settlement will occur daily on banking business days. This is generally five days per week with the exception of designated banking holidays.

III CDP will determine a settlement end-of-day which is the cutoff for which only transaction(s) approved prior to this time will be considered for settlement during that settlement window.

IV The Store may select its own business day for the purpose of settlement.

   a If the Store’s settlement end-of-day is before CDP’s settlement cutoff, the Store will receive settlement on the next banking business day.

   b If the Store’s settlement end-of-day is after CDP’s settlement cutoff, the Store will receive settlement on the second banking business day.

B. Reconciliation

I CDP will perform a daily reconciliation of all benefit redemption transactions against payments to stores.

II CDP will provide daily to the Store electronic reconciliation services to help validate WIC EBT transaction activity and automatically identify any anomalies. The specific nature of this service is dependent upon the store's processing needs and capabilities.
a For stores so requesting, CDP will place a daily reconciliation file on its FTP server for download by the Store. The Store can use this information to reconcile its own accounting of that day’s WIC redemption against the CDP accounting.

b The Store may upload a daily auto reconciliation file based on its in-store accounting to CDP where it will be verified against the CDP accounting.

III Transactions failing to fully reconcile will be handled by CDP through the dispute and adjustment process which will allow CDP up to 30 days to research, investigate, validate, adjust, or deny, as may be necessary, any disputed transaction(s).

IV Additional store assistance with reconciliation may be received from the Kentucky WIC vendor help line.

b The Store will be promptly notified of any cardholder initiated disputes involving transactions initiated in the Store.

c Dispute decisions unsatisfactory to the Store may first be referred to the Kentucky WIC Vendor Management Group for review. Secondly, the Store may invoke the mediation procedures described within this Agreement.

II Where documented circumstances warrant, CDP or Kentucky WIC will make the appropriate debit or credit entry to the Store’s bank account.

A. Kentucky WIC with support from CDP, will operate a toll free business day / business hours retailer help line.

I Direct connect retailers may use this service to:

I Incorrectly processed transactions

II Proper transactions for which CDP has provided an approval pursuant to this Agreement
