INSTRUCTIONS

Kentucky Cabinet for Health Services Radiation Control Regulations require the owner of radiation producing machines to register such items with the Kentucky Cabinet for Health Services within ten (10) days following the acquisition of the registrable item(s).

Facility Name
The common name used daily. In most cases, this will be the same as item 2, e.g. John J. Jones, DMD or Centerville Hospital, Inc. The facility name may be Family Dental Clinic or Radiology Associates while item 2 will be a corporate (PSC) or individual’s name. The best guide is the name used when answering the telephone.

Owner
For the purposes of this regulation, the name of the owner must be the person, lessee, or bailee having legal title to, or legal possession of the registrable item. “Person” means any individual, corporation, partnership, firm, association, trust, estate, public or private institution, group, agency, political subdivision of this Commonwealth, any other state or political subdivision thereof, and any legal successor, representative, agent, or agency of the foregoing, other than Federal Government agencies.

Address
The address shall mean the physical location where the registrable item(s) will be used and/or stored.

Radiation Safety Officer
The owner or person in custody of the registrable item shall perform or provide for the services of a Radiation Safety Officer and with his/her advice shall establish operating rules and procedures which will provide reasonable assurances that the provisions of the Kentucky Radiation Regulations are being carried out. No person shall assume or be designated a Radiation Safety Officer unless he/she is qualified by training and experience to assume the responsibilities of informing himself/herself of all the hazards and precautions involved in the activity for which he/she is designated as Radiation Safety Officer.

Contact Person
Please designate an individual who can be contacted to schedule inspections and answer related questions. Also indicate telephone number.
