Wednesday, September 22nd
2:00-3:30 PM EST

***Self-directed Learning: 1:00 to 2:00 PM**

*Please complete on your own prior to the Live Session

Live Session: 2:00 to 3:30 PM

Moving From Good to Great:

Incorporating Stool Tests to Increase CRC
Screening Rates

Clinic Partners: Please be prepared to share
“what works, what doesn’t work” on stool-based
CRC screening tests in your clinic.

Guest speaker: Aaron Kruse-Diehr, PhD
Find Aaron’s bio [HERE](#)

Registration by individuals is required to meet
the KDPH/CDC Colon Cancer Screening
Improvement Grant requirements. Please
