

Talk to your patients about lung cancer screening

Lung cancer can be treated if caught early!

Kentucky Public Health

Prevent. Promote. Protect.

Lung Cancer Screening

You are eligible for screening if:

50

You are 50 to 80 years old

20

You smoked a pack of cigarettes a day for 20 years

15

You currently smoke or quit within the past 15 years

Lung Cancer Screening is easy

- Covered by most insurance (Medicare 50 - 77)
- Quick and painless
- No needles, IVs or dyes
- Get screened every year to catch cancer early
