“Resident’s Rights Consumer Education Project” 4/2019 – 12/2022*
Grantee Name: Nursing Home Ombudsman Agency of the Bluegrass, Inc.
Grant Amount: $18,741.00
Goal: KY LTC Ombudsman Agency shall support the Residents’ Rights Consumer Education Project (RRCEP) to create written material for LTC consumers of Certified Nursing Facilities (CNFs) in Kentucky. The material will be in the form of a booklet focused on residents’ rights and regulation revisions.

“Virtual Dementia Tour Comprehensive Experiential Education Program”: 8/2019 – 6/2022*
Grantee Name: Second Wind Dreams, Inc.
Grant Amount: $1,141,090.02
Goal: This evidence-based, patented program uses sensory tools and instruction to sensitize staff to dementia resulting in better, more empathic care. In addition, the VDT® training and, Dementia Aware Competency Evaluation (DACE®) increases staff accountability in person-centered care and results in improved quality of life for residents.

Grantee Name: KY Department for Medicaid Services
Grant Amount: $195,058.00
Grant: Address gaps in resident care for underperforming, rural nursing homes by providing trainings and in -depth consultations on areas where nursing homes are currently failing. Training sessions and consultations will focus on creating a “qualified and stable direct care workforce” within each nursing home.

Grantee Name: Trilogy Scholarship Foundation, Trilogy Health Services
Grant Amount: $6,770,887.50
Grant: Implement a one-time purchase of devices and implementation of associated software and support to install and utilize contactless temperature and symptom screening devices at key entry points in long-term care facilities to reduce the spread of COVID-19 and other infectious diseases among facility residents.

“Kentucky Wound Care Excellence Program for Certified Nursing Facilities”: 7/2021 – 6/2023
Grantee Name: Vohra Wound Physicians Management, LLC
Grant Amount: $81,113.50
Grant: Educate and certify 150 CNF nurses in the critical area of wound care in order to close the knowledge gap in the care of chronic wounds and to help address the high prevalence and expense of wounds in certified nursing facilities.

“Promoting Health Across the Lifespan Among Kentucky Certified Nursing Facility Residents Through Bingocize®, an Evidence-based Health Promotion Program”
Grantee Name: University of Kentucky Research Foundation
Grant Amount: $1,086,310.00
Grant: Bingocize® is an evidence-based program that mixes exercise, health education, and bingo to help overcome health problems in participants across the entire spectrum of care. The project aims to build capacity across the state through new and/or expanded community-engaged CNF and university partnerships to enhance the opportunity to improve quality of life (QOL) among residents of 30 Kentucky CNFs.

*OIG and/or CMS approved extension due to COVID issues
Approved CMP Fund Grants 2022

“Stories In Mind”
Grantee Name: Frazier History Museum
Grant Amount: $581,059.00
Goal: To combat feelings of loneliness and isolation in residents at 9 CNFs by providing meaningful engagement through weekly, recurring cultural fine arts programs using historical artifacts from the Frazier History Museum. The project will provide opportunities to create meaningful connections between residents, family members and staff as well as encourage verbal communication, calmer behavior, and improve resident attitudes and general demeanor.

“Accelerating Quality Improvement for Long-Stay Residents in Kentucky Nursing Homes Using Culture Change During COVID-19”
Grantee Name: Altarum Institute
Grant Amount: $1,724,366.00
Goal: To maximize resident quality of life by developing, implementing and sustaining a person-directed model of care at 8 CNFs over a period of three years by providing training, technical assistance/consultation and performance feedback/impact assessment with the use of the Eden Path to Mastery® Training and Education for the Eden Alternative Milestones 1 and 2.

“Providing Enrichment Around Resident’s Lives” (PEARL)
Grantee Name: Redbanks Skilled Nursing
Grant Amount: $38,741.00
Goal: To improve resident QOL by increasing/improving communication between residents and their families, friends and community at large using “It’s Never Too Late” Technology (iN2L) to provide person-centered opportunities for interactions and connections.

“Engage With Your Community”
Grantee Name: Create Circles Corporation
Grant Amount: $495,397.52
Goal: To decrease social isolation, help decrease negative perceptions on aging, and improve quality of life for residents at 25 CNFs by promoting 500 intergenerational volunteer/resident virtual interactions to complete projects that are important to each resident.
