APPROVED CMP FUND EMRGENCY TECHNOLOGY GRANTS

June 24, 2020

CMS issued an emergency grant program, Communicative Technology Project, to assist in alleviating communication limitations due to COVID-19. This grant program allows certified nursing facilities to apply for a CMP fund grant for up to \$3,000 to cover the costs of certain communicative technology devices and accessories. The goal of this program is to provide a means for the facility residents to communicate with their friends and family due to COVID-19 limiting their communications.

As of June 24, 2020, the Kentucky Office of Inspector General has approved the following emergency CMP Grant Project applications:
