2023 Instructions for Survey

Chemical Dependency and Residential AODE

This survey is for the reporting period: January 1, 2023 through December 31, 2023.

INTRODUCTION: Data submission is required by 900 KAR 6:125. The printable version of the survey is only for your convenience in completing the survey on paper before submitting the data online. The accuracy and completeness of the data reported in this survey are essential to the process of health planning in Kentucky. All data must be accurate and complete before the survey will be considered acceptable. Surveys are due March 15, 2024. This survey is for the period January 1, 2023 through December 31, 2023. You are responsible for the accuracy of the data reported in this survey. Failure to complete and correct the indicated parts of the survey may result in your facility being reported to the Office of Inspector General for a possible licensure deficiency.

The accuracy and completeness of the data reported in this survey are essential to the process of health planning in Kentucky. It also represents the data requirements as set forth in 900 KAR 6:125. All items must be complete and accurate before this survey will be considered acceptable.

Please retain a copy of the completed survey in your files for reference. It is not necessary to send a copy of the survey by mail. Surveys are accepted via the secure website submission. The published KY Annual Survey Reports may be viewed at: https://chfs.ky.gov/agencies/os/oig/dcn/Pages/annualreports.aspx.

The data you submit through the on-line survey will remain confidential until the reporting deadline posted on the survey. The final, published report will be posted on the web as well.

During the survey completion period you will have access to your facility's survey and the ability to change, update, and enter new data. No matter who enters the data, the administrator is still responsible for verification of final data and must complete the final verification page before the on-line survey will be accepted. An immediate e-mail notice will be sent to the administrator upon receipt of the completed survey (Please confirm that the administrator's email address has been entered correctly).

Some data elements can be obtained and or verified through administrative claims data.

Requests for an extension of the survey deadline must go through a survey administrator and be approved.

Utilization and Census

INSTRUCTIONS (Please read all items carefully) Complete all items.

- Data is for the primary Substance Use Disorder diagnosis identified for the client's admission and treatment to the program. Data is for unduplicated clients.
- Beds In Operation: Number of beds, regularly maintained (set up and staffed for use) for inpatients during the reporting period.
- Admissions: Number of patients, accepted for inpatient service during the reporting period (Jan 1- Dec 31).
- Inpatient Days: Number of days of care, rendered during the entire reporting period (Jan 1- Dec 31).
- Discharges: Patients that were discharged during the reporting period (Jan 1- Dec 31).
- Discharge Days: Sum of the Length of Stay (LOS) of discharged patients during reporting period (Jan 1- Dec 31).
- Average Length of Stay (ALOS): Average stay of inpatients during the reporting period. Derived by dividing the number of discharge days by the number of discharges.
- Occupancy Percent: Inpatient days divided by the number of licensed beds, times the number of days in the reporting period. [Inpatient Days] / ([Licensed Beds] X Days in Reporting Period)
- If number of licensed beds changes between the first day of the reporting period and the last day of the reporting period, please give date and type of change by category in the comment box.

Survey Data Verification

Thank you for completing the survey.

On behalf of the administration of *****Test Production Site, I certify that the information contained in this report is complete and accurate. After reviewing the information contained in this report, I hereby submit it as an official record of the facility's activity in compliance with 900 KAR 6:125.

Only verify once the survey is completed.

Once data is complete, verification notices will be emailed to the state and to your facility's respondent and administrator. If the respondent or administrator does not receive this confirmation it is likely that their email address was not included or had a typo in the registration section of this survey. In this case, please contact Division of CON at consurvey@ky.gov or (502) 564-5798 so this can be corrected.

Respondent Name: Zachary Smith Administrator Name: Zachary Raney

Original Completion Date:

By clicking this button you are indicating that this survey is complete. You will not be able to change any of the data.
