

Child Care Employee Benefits

Are you Eligible for the Child Care Assistance Program?

Are you an employee at a regulated Licensed or Certified Child Care center? **If so, you may be eligible for the Child Care Assistance Program, regardless of your household income.**

Due to a recent change in CCAP policy, household income is excluded when determining eligibility for all employees at a regulated Licensed or Certified Child Care program. If you are already enrolled in CCAP, or would like to see if you qualify, please reference the instructions below:

Currently enrolled in CCAP?

Contact your local DCBS office to report a case change to have the income exclusion added. To contact DCBS:

- ✓ Visit your local DCBS office
- ✓ Call: **1 855-306-8959**
