40.4 Contract Provisions

40.7 Addition or Deletion of Items or Services

The Office of Procurement Services reserves the right to add new and similar items, by issuing a contract modification, to this contract with the consent of the vendor. The Commonwealth shall determine the quantity and quality of such additional resources and failure to comply may constitute default by the contractor.

40.11 Assignment

The contract shall not be assigned in whole or in part without the prior written consent of the Commonwealth Buyer.

40.14 Contractor Affiliation

If any affiliate of the contractor shall take any action that, if done by the contractor, would constitute a breach of this agreement, the same shall be deemed a breach by such party with like legal effect.

40.15 Commonwealth Property

The contractor shall be responsible for the proper custody and care of any Commonwealth-owned property furnished for contractor's use in connections with the performance of this contract. The contractor shall reimburse the Commonwealth for its loss or damage, normal wear and tear excepted.

- C. Information, which, after disclosure, becomes part of the public domain as defined above, through no act of the contractor.

40.18 Advertising Award

The contractor shall not refer to the award of contract in commercial advertising in such a manner as to state or imply that the firm or its services are endorsed or preferred by the Commonwealth of Kentucky without the expressed written consent of the agency technical contact person. (see Section 50.4)

40.19 Patent or Copyright Infringement

The contractor shall report to the Commonwealth promptly and in reasonable written detail, each notice of claim of patent or copyright infringement based on the performance of this contract of which the contractor has knowledge.

The Commonwealth agrees to notify the contractor promptly, in writing, of any such claim, suit or proceeding, and at the contractor's expense give the contractor proper and full information needed to settle and/or defend any such claim, suit or proceeding.

	Document Description	Page 7

If, in the contractor's opinion, the equipment, materials, or information mentioned in the paragraphs above is likely to or does become the subject of a claim or infringement of a United States patent or copyright, then without diminishing the contractor's obligation to satisfy any final award, the contractor may, with the Commonwealth's written consent, substitute other equally suitable equipment, materials, and information, or at the contractor's options and expense, obtain the right for the Commonwealth to continue the use of such equipment, materials, and information.

The Commonwealth agrees that the contractor has the right to defend, or at its option, to settle and the contractor agrees to defend at its own expense, or at its option to settle, any claim, suit or proceeding brought against the Commonwealth on the issue of infringement of any United States patent or copyright or any product, or any part thereof, supplied by the contractor to the Commonwealth under this agreement. The contractor agrees to pay any final judgment entered against the Commonwealth on such issue in any suit or proceeding defended by the contractor.

If principles of governmental or public law are involved, the Commonwealth may participate in the defense of any such action, but no costs or expenses shall be incurred for the account of the contractor without the contractor's written consent.

The contractor shall have no liability for any infringement based upon:

- A. the combination of such product or part with any other product or part not furnished to the Commonwealth by the contractor
- B. the modification of such product or part unless such modification was made by the contractor
- C. the use of such product or part in a manner for which it was not designed

Such registration is obtained from the Secretary of State, who will also provide the certification thereof. However, the contractor need not be registered as a prerequisite for responding to the RFP. Additional local registration or license may be required.

6. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts or federally-assisted construction contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, as amended, and such other sanctions may be imposed and remedies invoked as provided in or as otherwise provided by law.
7. The contractor will include the provisions of paragraphs (1) through (7) of section 202 of Executive Order 11246 in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor, issued pursuant to section 204 of Executive Order No. 11246 of September 24, 1965, as amended, so that such provisions will be binding upon each subcontractor or vendor.
