Employee Learning and Development Program

Upon completing a “Learning Series”, scan the QR Code to fill out the Learning Series Verification Form.

- The Employee Learning and Development Program (ELD) provides Kentucky Department for Public Health (KDPH) employees incentivized continuous learning opportunities.
- The goal of the ELD is to build a diverse, competent, and confident public health workforce.
- The ELD provides learning paths, called Learning Series, that are relevant to foundational and core public health areas.
- Each Learning Series contains 36 hours of coursework within the topic area.
- Upon completion of each learning series, employees will submit a [verification form](#) to the University Collaboration Coordinator and collect the associated incentive.
- Additional Learning Series will be released periodically and will be published in KDPH newsletters, along with showcasing of employee successes.
