

Serve Kentucky Request for Applications Guidance 2024-25 AmeriCorps State Grants: **FORMULA**

General Information and Timeline

Serve Kentucky is the conduit for federal funds from the AmeriCorps federal agency. Single state applicants must go through Serve Kentucky’s request for applications (RFA) process and may not apply directly to AmeriCorps. The legal authority for Serve Kentucky to award AmeriCorps subgrants is found in the Kentucky Revised Statutes (KRS 194A.578). The process for federal funding as outlined in this document is established as a requirement by the federal awarding agency for disbursement of AmeriCorps federal funds and does not conflict with the state procurement process outlined in KRS 45A.085 Competitive negotiation.

AmeriCorps grants are awarded to eligible organizations proposing to engage AmeriCorps members in evidence-based or evidence-informed interventions/practices to strengthen communities. An AmeriCorps member is an individual who engages in community service through an approved national service position. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service, members earn a Segal AmeriCorps Education Award from the National Service Trust that members can use to pay for higher education expenses or apply to qualified student loans.

Application Review Information

Serve Kentucky's internal and external application review will align with the application review information criteria published within the RFA (which is pulled directly from the NOFO). Serve Kentucky staff will review all applications to determine compliance with eligibility, deadline, and completeness requirements. If an application meets compliance standards, Serve Kentucky staff will assess each application's content. Some applicants may receive requests to provide clarifying information and/or make changes to their application, including program design, budget, or statistical support information. A request for clarification from AmeriCorps or Serve Kentucky does not guarantee a grant award. Failure to respond to requests for additional information in a timely fashion may result in the removal of the application from consideration.

Grant Review Panel and Program Committee

Serve Kentucky Commissioners and an external Grant Review Panel will review applications. The panel is comprised of current and former commissioners, individuals familiar with AmeriCorps National Service programs, and volunteers with federal grant experience. All grant reviewers are required to each sign forms certifying (1) that they have no real or perceived conflicts of interest, and (2) that they will not disclose any confidential information about the programs until after the grant review process is completed.

Assessment Criteria

The grant review panel will assess each of the applications based on how well the applicant answers the questions and follows the directions included in the Serve Kentucky RFA. Funding is not guaranteed for any applicant – even for a current subgrantee, continuation or re compete applicant.

The Commission assesses applications on risk and past performance, when applicable. In addition to the feedback provided by the grant review panel, the Commission may take other factors into consideration, including governor-identified priorities, state and local needs, focus areas, funding priorities, geographical, and target populations.
